NEW LONDON SITES

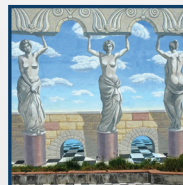

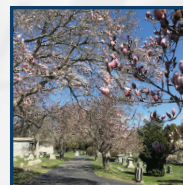

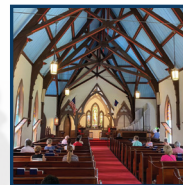

NEW LONDON'S HISTORIC WATERFRONT DISTRICT

-  **1. NATHAN HALE SCHOOL HOUSE**
One-room schoolhouse where Hale taught from 1774-1775 before he enlisted as spy in the American Revolutionary War. *0.1 Miles**
-  **2. NEW LONDON CUSTOM HOUSE MARITIME MUSEUM**
Exhibits New London's maritime and whaling history, *La Amistad*, and regional lighthouses. *0.2 Miles**
-  **3. SHAW MANSION**
Built in 1756 by Captain Nathaniel Shaw, this house once hosted General George Washington. Served as headquarters for CT's state navy and local privateers. *0.3 Miles**
-  **4. HEMPSTED HOUSES**
Two homes which served 9 generations of Hempsted's and survived the burning of New London in 1781. *0.6 Miles**
-  **5. NL BLACK HERITAGE TRAIL**
Celebrates three centuries of Black strength, resilience, and accomplishment while telling the stories about Black life in New London. *0.6 Miles**
- 6. OLD TOWN MILL**
Originally built in 1650 by John Winthrop Jr., the founder of New London and later governor of CT. One of the oldest industrial sites in CT. *1.2 Miles**
-  **7. YE ANTIENTIST BURIAL GROUND**
One of the earliest graveyards in New England and the oldest colonial cemetery in the county. *1 Mile**

* Walking distance from closest Hourly Harbor Cruise Landing
 = At or within walking distance Hourly Harbor Cruise Landings

-  **8. GARDE ARTS CENTER**
Beautifully restored 1920's movie palace and vaudeville theatre with an exotic Moroccan design – a regional center for the arts. *0.4 Miles**
-  **9. FORT TRUMBULL STATE PARK**
Historic 1852 massive granite fort with world-class visitor center and museum depicting 225 years of military history.
-  **10. MONTE CRISTO COTTAGE**
Childhood home of Eugene O'Neill, America's only Nobel Prize winning playwright and setting for his *Long Day's Journey into Night*. *1 Mile**
- 11. PEQUOT CHAPEL**
Opened in 1853, decorated with two stained glass windows by Louis Comfort Tiffany, a regular summer visitor. Sunday services June - early September at 10:55AM. *2.2 Miles**
- 12. LYMAN ALLYN ART MUSEUM**
A 2,600-year period collection, Louis Comfort Tiffany exhibit, art depicting whaling industry and special exhibitions. *1.8 Miles**
- 13. CEDAR GROVE CEMETERY**
Park-like final resting place of many of the city's most significant citizens: colonial-era diarist, ship captains, top elected officials and wealthy Gilded Age industrialists. *3.6 Miles**
-  **14. HYGIENIC ART**
Built in 1844 as a ship's provision store and crew's quarters, the former Harris Building houses Hygienic Art - a free public art forum featuring exhibits, live performances and other events. *0.2 Mile**

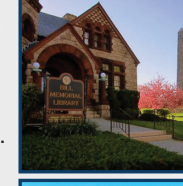

-  **15. ST. JAMES EPISCOPAL CHURCH**
Large stained-glass windows, six of which were designed by Louis C. Tiffany, light the Church sanctuary. *0.5 Mile**
- 16. NEW LONDON HARBOR LIGHT**
Visit Long Island Sound's oldest and tallest lighthouse. Climb 116 steps to the lantern room for spectacular views. Tours are available year-round. *2.4 Miles**

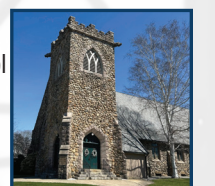

GROTON SITES

NATIONAL REGISTER HISTORIC DISTRICT

-  **17. FORT GRISWOLD BATTLEFIELD STATE PARK**
Site of an infamous 1781 massacre by British troops aided by turncoat Benedict Arnold. *0.5 Miles**
